

Guess the Love Song

HOW TO PLAY

What do you need?

- A playlist featuring 10–20 love songs
- A speaker or sound system to play the songs.
- Pens or pencils for each guest., and game cards to write their guesses.
- A prize for the winner

How do you play?

- Start by creating a playlist of love songs that will cater to all age groups. Aim for a mix of genres and decades to make the game more inclusive. Keep the list between 10 and 20 songs so the game is engaging without feeling overly long.
- On the day of the bridal shower, make sure your playlist is ready to go on your phone or another device and test the sound system ahead of time to avoid any hiccups.
- Pass out pens and answer sheets to all your guests.
- Let everyone know they'll hear a short snippet of each song and they have to write down the song title, the artist, or both. Clarify points will be: 1 point for each correct title or artist, with 2 points for both.
- Play about 10–15 seconds of each song. Be sure to pause long enough after each snippet to allow everyone time to jot down their guesses.
- Once all the songs have been played, go through the playlist and reveal the correct answers. Guests can tally up their points as they go. The player with the highest score takes home the prize!

Extra Tips

- If your group skews younger or older, adjust the playlist accordingly to include songs they're more likely to recognize.
- Avoid overly obscure tracks. The goal is for everyone to have fun, not to stump them with impossible picks.
- To add an extra layer of excitement, consider using themed playlists like "Movie Love Songs" or "'80s Power Ballads."
- Encourage Singing Along: While it's not part of the competition, don't be surprised if a few guests can't help but belt out the lyrics. It's a bridal shower, after all—embrace the fun!
