HOW TO PLAY

What do you need?

- Meaning of Rose game cards, plus answer key
- Pens or pencils
- A timer (a phone stopwatch works great)
- A small prize for the winner (optional but encouraged!)

How do you play?

- Prepare the Cards: Before the bridal shower, print out your FREE game card, or make your own cards that have different numbers of roses and their meanings.
- Hand Out the Cards: Give each guest a game card and ask them to match them up. You can play this at a specific time if you want and set a 5 minute timer.
- Reveal the Answers: The bride or the host can read out the correct meanings, one by one, revealing the romantic and fun symbolism behind each bouquet.
- Tally the Scores: Once all the answers are revealed, guests can check their own cards and tally up their scores to see who guessed the most correctly.
- Consider offering a small prize for the winner!

Extra Tips

- Add Personal Touches: Consider customizing the meanings of the roses to reflect the couple's love story. For example, the meaning of one rose could be something personal, like "the moment they first met" or "their first date."
- Interactive Twist: To encourage guests to mingle, you could make this game more interactive. Allow guests to chat with one another about their guesses.
- Visual Appeal: Enhance the experience by decorating the venue with beautiful rose bouquets for an extra romantic touch.
- Keep it Lighthearted: This bridal shower game is meant to be light and fun. Don't worry if not everyone guesses the meanings perfectly.
