HOW TO PLAY

What do you need?

- Move Love Quotes game cards, plus answer key
- Pens or pencils
- A timer (a phone stopwatch works great)
- A small prize for the winner (optional but encouraged!)

How do you play?

- Prepare the Quotes: Choose a mix of romantic movie quotes from different eras and genres. Keep the list varied so both rom-com lovers and drama fans have a fair shot.
- Hand Out the Sheets: Give each guest a game card and ask players to match each quote to the correct movie. If you're adding a time limit, set a countdown to keep the game moving.
- Reveal the Answers: Once everyone is finished, go through the answers aloud and let guests tally their scores.
- Crown the Winner: The person with the most correct answers wins the prize! If there's a tie, do a quick sudden-death round by reading a final quote out loud and seeing who can name the movie first.

Extra Tips

- Customize for the Bride: If she has a favorite romantic movie, sneak in a quote from it as a bonus question!
- Make It a Team Game: Pair up guests to encourage mingling, especially if not everyone knows each other.
- Go Digital: If printing isn't your thing, display the quotes on a screen and have guests write answers on notepads or their phones.
- Make it Visual: If you have the time and capabilities, you can share a clip of the quote from the movie on a screen when revealing the answers
