

# Name That Cake

## HOW TO PLAY

### What do you need?

- Name That Cake game cards, plus answer key
- Pens or pencils
- A timer (a phone stopwatch works great)
- A small prize for the winner (optional but encouraged!)

### How do you play?

- Distribute a Name That Cake game card to each guest along with a pen or pencil. Make sure everyone has a flat surface to write on.
- Explain the rules – Guests will have 3 minutes to match each clue on the sheet to a type of cake. The goal is to write down as many correct answers as possible before time runs out.
- Once the timer begins, guests will work through the list, writing down the name of the cake that best fits each description.
- When time is up, go through the correct answers as a group or have each guest trade sheets with their neighbor to score.
- The guest with the most correct answers wins!

### Extra Tips

- Make It a Team Effort – If you have a large group, consider pairing up guests to work together.
- Theme Your Prizes – Offer a dessert-themed prize like a box of gourmet cupcakes or a cute cake-scented candle.
- Keep the Energy Up – Play some light background music to add to the fun atmosphere. Maybe *Cake by the Ocean* or *Coffee Cake*?!
- Customize It – If the bride has a favourite type of cake, sneak it into the game as a special clue.
- Have Samples - Consider adding as many cake types as possible to the dessert table for an added incentive!
