

Over or Under

HOW TO PLAY

What do you need?

- Printed Over or Under game cards with 10-15 questions
- Pens or pencils
- The bride's correct answers (collected ahead of time)
- A prize for the winner (optional)

How do you play?

- Before the shower, print out your prepared game cards
- Ask the bride to give you the real answers ahead of time to make your answer key.
- Hand out the printed Over or Under cards and pens to each guest.
- Two Ways to Play: Choose which way you want to play.
 - Classic Version: The bridal shower host reads each statement aloud while guests make their guesses. This takes 10–15 minutes and works perfectly between other activities.
 - Self-Paced Version: Guests can fill out their cards at their own leisure during the shower. This option is great if you'd like a more relaxed atmosphere, or if your group has multiple activities happening at once.
- Reveal the Answers and Announce the Winner: Once everyone has finished, go through the questions with the correct answers. The guest with the most right answers wins a small prize.

Extra Tips

- Keep It Light: Go for playful or slightly surprising questions — nothing too personal.
- Mix Easy and Tricky: Include a balance of obvious and unexpected statements.
- Use Ready-Made Printables: Our free Modern MOH game cards are designed to match any theme, so you can skip the DIY stress.
- Have a Tie-Breaker Ready: If there's a tie, use one extra question where tied guests guess a number, whoever's closest wins.
