

Romantic Comedy Charades

HOW TO PLAY

What do you need?

- A selection of romantic comedy movie titles
- Small slips of paper or index cards
- A container to hold the movie titles
- A timer or stopwatch

How do you play?

- Preparation: Before the game starts, write down a list of popular romantic comedy movies. Fold each slip of paper and place them in a container.
- Form Teams: Divide the guests into two teams. Depending on the size of your party, you can have more teams or adjust the number of players per team.
- Explain the Rules: Each team will take turns. One player from the team will draw a movie title from the container and act out the title without speaking. They can use gestures, facial expressions, and body movements to convey the movie title.
- Guessing: The player's team has one minute to guess the movie title. If they guess correctly within the time limit, the team earns a point. If not, the other team gets a chance to guess for a bonus point.
- Rotate: After each turn, switch teams and choose a new player to act out the next movie title. Continue taking turns until all the titles have been used or you run out of time.
- Winning: The team with the most points at the end of the game wins..

Extra Tips

- Choose a Variety of Movies: Include a mix of well-known romantic comedies and some that might be a bit more challenging.
- Use Props: If you want to add an extra layer of fun, provide some props like sunglasses, hats, or scarves that players can use while acting out the movie titles.
- Break the Ice: If your guests are a bit shy, start with easier, more recognizable movies to help everyone get into the spirit of the game.
